Welcome to our 2023 "Summer Starts Here" Fair. Our annual Fair, livestock auction, motor sports events, rodeo and community gatherings are a staple to our local community. The Fair remains firmly rooted to it's agricultural base and is very active in a evolving business environment.

As preparations are underway for the 2023 Fair, we want to invite you to join us in making this year's Fair as memorable as last year, if not better.

Our community supporters and business sponsor are key to the success of this Fair. Please consider a sponsorship package to this time honored event.

Thank You,
Redwood Acres Fairgrounds
